

Operation Allied Butler

December 1, 2023

1 Editor Notes

Operation Allied Butler
2-players mission

Date: 06/06/2007
Time: 09:30
Weather: Overcast
Wind: Calm (0 m/s, N)

Allies: USA
Enemies: Russia

Small attacks have been made on Sochi for weeks, this time the Georgians have landed forces. The airbase has been disabled as Georgians run riot in the city. Recon units have learned the location of several enemy forces massing deep inside enemy territory. Command estimates that they would be the primary threat to nearby allies should The enemy attack them. To prevent this, Command has demanded the destruction of these units.

Tasks

- Destroy all artillery designated objective FRAG.

Remarks

- Air defense units protecting objective FRAG can be ignored. Your primary target remains the artillery.
